Fundraising Tips

- **Be Safe:** Encourage group members to sell to parents, relatives, and friends and recruit them to sell as well. **Never sell to strangers and never go door to door without an adult present!**
- **Set goals:** Determine profit goals and let team members know what will be done with the money raised.
- **Create excitement:** Create posters and banners to announce of your upcoming fundraiser and how great it is for the Environment.
- **Set specific fundraiser dates:** We recommend running your fundraiser for 2-4 weeks including at least two weekends.
